

## Seeing the Invisible

This WINGS accredited event is for EAA members. We will discuss invisible hazards such as density altitude, carbon monoxide, hypoxia, and wake turbulence.

**Directions:** From Hwy 84, turn right into the airport. Take the first driveway on the right to the EAA hangar.

### A message from the National FAASafetyTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!

The FAA Safety Team (FAASafetyTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
